

Why Rent-to-Own?

The Rent-to-Own customer enjoys Rent-to-Own for the following reasons:

Easy payment terms. The rental rates are very affordable and flexible. Since there is no security deposit, the initial outlay is minimal. Additionally, we are able to tailor a rental payment plan that fits the budget of most everyone.

No long term obligation. There is no obligation to keep the rental product for any predetermined time. If a customer decides they no longer need the product, they may return the product at any time without penalty.

No credits checks are performed. If a customer has no credit history or poor credit history, it does not matter. We do not perform credit checks on potential customer. Furthermore, we do not report payment histories, rental balances, or any other information to any credit bureau or agency. The customer does not incur any debt!

Quality product line. We carry name-brand rental merchandise. Manufacturers include JVC, Sony, Kenmore, Toshiba, Ashley, Douglas, and many more. The high quality of product and name brand awareness contribute to the appeal of Rent-to-Own.

Free service. Rent-to-Own customers enjoy the benefits of free maintenance and service. If a product malfunctions, Dial will repair or replace the product-for FREE! This insures customer satisfaction with our business and builds customer loyalty.
